**406 South Main Street  
P. O. Box 70  
Gifford, Illinois 61847**

Dear Parents, Patrons and Students:

Welcome to Gifford Grade School, where educational excellence is a long-standing tradition. The faculty, staff, and Board of Education of GGS are committed to preparing every child who attends our school for high school, citizenship, and a productive life. It is our goal to provide each student the opportunity to learn successfully in an enjoyable, caring, structured, safe, and supportive environment.

This Student/Parent Handbook is intended as an overview of Gifford Grade School and its practices, procedures, and policies. It is not intended as a contractual agreement with students or parents and does not address every possible situation. The Student/Parent Handbook is summary of board policies, expectations for students, and governmentally required notices. The Handbook is approved in its entirety each year by the Board of Education and may be amended by the Board during the school year.

The District has recently updated the Handbook, therefore, parents are encouraged to read the Handbook carefully and familiarize themselves with its contents. We ask that parents of younger children discuss the contents of the Handbook with their children.

We hope you will find the Handbook useful. Please contact the school if you have questions about the Student/Parent Handbook.

Parents, students and patrons are encouraged to visit the Gifford District website at [www.gifford.k12.il.us](http://www.gifford.k12.il.us) for updated information, schedules, lunch menus, Board of Education meetings, school finances, and features on school activities.

We are looking forward to another great year at Gifford Grade School!

Rod Grimsley  
Superintendent

## 1.4 Visitors

All visitors, including parents and siblings, are required to enter through the front door of the building and proceed immediately to the main office. Visitors should identify themselves and inform office personnel of their reason for being at school.

Visitors must sign in, identifying their name, the date and time of arrival, and the classroom or location they are visiting. Approved visitors must take a tag identifying themselves as a guest and place the tag to their outer clothing in

a clearly visible location. Visitors are required to proceed immediately to their location in a quiet manner. All visitors must return to the main office and sign out before leaving the school.

Visitors are expected to abide by all school rules during their time on school property. A visitor who fails to conduct him or her in a manner that is appropriate will be asked to leave and may be subject to criminal penalties for trespass and/or disruptive behavior.

## **1.40 Suicide and Depression Awareness and Prevention**

Youth suicide impacts the safety of the school environment. It also affects the school community, diminishing the ability of surviving students to learn and the school's ability to educate. Suicide and depression awareness and prevention are important goals of the school district.

The school district maintains student and parent resources on suicide and depression awareness and prevention. Much of this information, including a copy of school district's policy, is posted on the school district website. Information can also be obtained from the school office.

---

## **1.5 Equal Opportunity and Sex Equity**

Equal educational and extracurricular opportunities are available to all students without regard to race, color, nationality, sex, sexual orientation, gender identity, ancestry, age, religious beliefs, physical or mental disability, and status as homeless, or actual or potential marital or parental status, including pregnancy.

No student shall, based on sex or sexual orientation, be denied equal access to programs, activities, services, or benefits or be limited in the exercise of any right, privilege, advantage, or denied equal access to educational and extracurricular programs and activities.

Any student or parent/guardian with a sex equity or equal opportunity concern should contact: Rod Grimsley, Superintendent.

## **1.6 Animals on School Property**

In order to assure student health and safety, animals are not allowed on school property, except in the case of a service animal accompanying a student or other individual with a documented disability. This rule may be temporarily waived by the building principals in the case of an educational opportunity for students, provided that (a) the animal is appropriately housed, humanely cared for, and properly handled, and (b) students will not be exposed to a dangerous animal or an unhealthy environment.

## **1.7 School Volunteers**

All school volunteers must complete the "Volunteer Information Form" and be approved by the school principal prior to assisting at the school. Forms are available in the school office. Some teachers utilize parent volunteers in the classroom. The individual teachers make this decision. Teachers who desire parent volunteers will notify parents. For school-wide volunteer opportunities, please contact the building principal.

Volunteers are required to check in and out at the main office and receive a visitor badge before going to their destination.

## **1.8 Invitations & Gifts**

Party invitations or gifts for classmates should not be brought to school to be distributed. Items such as these are of a personal nature and should be mailed home using the list from the classroom teacher if created. The office is unable to release addresses and phone numbers of students.

## **1.85 Treats & Snacks K-8**

Due to health concerns and scheduling, treats and snacks for any occasion must be arranged in advance with the classroom teacher. All treats and snacks must be store bought and prepackaged in individual servings. No homemade treats or snacks are allowed at school. Treats and snacks may not require refrigeration and must have a clearly printed list of ingredients on the packaging. We strongly encourage you to select a treat or snack with nutritional value.

## **1.9 Emergency School Closings**

In cases of bad weather and other local emergencies, please listen to any local radio or television station to be advised of school closings or early dismissals. In addition, Gifford Grade School uses a parent reach phone messaging system to call parents when there are school closings for any reason. Decisions to close school for the day are made by 6 a.m. If bad weather or other emergency occurs during the day, please listen to local media stations for possible early dismissal information.

For your child's safety, make certain your child knows ahead of time where to go in case of an early dismissal.

If we dismiss early for an emergency, all after-school functions are automatically canceled.

## **1.10 Video & Audio Monitoring Systems**

A video and/or audio monitoring system may be in use on school busses and a video monitoring system may be in use in public areas of the school building. These systems have been put in place to protect students, staff, visitors and school property. If a discipline problem is captured on audiotape or videotape, these recordings may be used as the basis for imposing student discipline. If criminal actions are recorded, a copy of the tape may be provided to law enforcement personnel.

## **1.11 Accommodating Individuals with Disabilities**

Individuals with disabilities will be provided an opportunity to participate in all school-sponsored services, programs, or activities. Individuals with disabilities should notify the superintendent or building principal if they have a disability that will require special assistance or services and, if so, what services are required. This notification should occur as far in advance as possible of the school-sponsored function, program, or meeting.

## **1.12 Students with Food Allergies**

---

State law requires our school district to annually inform parents of students with life-threatening allergies or life-threatening chronic illnesses of the applicable provisions of Section 504 of the Rehabilitation Act of 1973 and other applicable federal statutes, state statutes, federal regulations and state rules.

If your student has a life-threatening allergy or life-threatening chronic illness, please notify the school in writing or call the building principal at (217) 568-7733.

Federal law protects students from discrimination due to a disability that substantially limits a major life activity. If your student has a qualifying disability, an individualized Section 504 Plan will be developed and implemented to provide the needed supports so that your student can access his or her education as effectively as students without disabilities.

Not all students with life-threatening allergies and life-threatening chronic illnesses may be eligible under Section 504. Our school district also may be able to appropriately meet a student's needs through other means.

## 1.13 Care of Students with Diabetes

If you child has diabetes and requires assistance with managing this condition while at school and school functions, a Diabetes Care Plan must be submitted to the school principal. Parents/guardians are responsible for and must:

- a. Inform the school in a timely manner of any change which needs to be made to the Diabetes Care Plan on file with the school for their child.
- b. Inform the school in a timely manner of any changes to their emergency contact numbers or contact numbers of health care providers.
- c. Sign the Diabetes Care Plan.
- d. Grant consent for and authorize designated School District representatives to communicate directly with the health care provider whose instructions are included in the Diabetes Care Plan.

For further information, please contact the Building Principal.

## 1.14 School Day

The School day begins promptly at 8:30 a.m. All students who enter the building should proceed to the new gym or the old gym for breakfast and will be dismissed to their homerooms when the 8:20 bell rings. School is dismissed at 3:10 p.m., except in early dismissal or emergency situations.

Those students who participate in the breakfast program will be directed to the cafeteria. The cafeteria begins serving at 8:00 a.m. Students who are not transported by bus may proceed to the new gym if they arrive between 8:00 a.m. and 8:20 a.m. Students who ride the bus but do not participate in the breakfast program will be housed in the new gym until 8:20 a.m.

All students are to leave the campus immediately after school is dismissed (unless participating in a school sponsored program). Students who choose to come back to the playground or any other area (after going home) are the parents' responsibility.

## 1.140 Suicide and Depression Awareness and Prevention

Youth suicide impacts the safety of the school environment. It also affects the school community, diminishing the ability of surviving students to learn and the school's ability to educate. Suicide and depression awareness and prevention are important goals of the school district.

The school district maintains student and parent resources on suicide and depression awareness and prevention. Much of this information, including a copy of school district's policy, is posted on the school district website. Information can also be obtained from the school office.

## 2.1 Attendance

Illinois law requires that whoever has custody or control of any child between seven and seventeen years of age (unless the child has already graduated from high school) shall assure that the child attends school in the district in which he or she resides, during the entire time school is in session. Illinois law also requires that whoever has custody or control of a child who is enrolled in the school, regardless of the child's age, shall assure that the child attends school during the entire time school is in session.

There are certain exceptions to the attendance requirement for children who: attend private school, are physically or mentally unable to attend school (including a pregnant student suffering medical complications as certified by her physician), are lawfully and necessarily employed, are between the ages of 12 and 14 while in confirmation classes, have a religious reason requiring absence, or are 16 or older and employed and enrolled in a graduation incentive program.

## 2.2 Student Absences

There are two types of absences: excused and unexcused. Excused absences include: illness, observance of a religious holiday, death in the immediate family, family emergency, situations beyond the control of the student, circumstances that cause reasonable concern to the parent/guardian for the student's safety or health, or other reason as approved by the principal. All other absences are considered unexcused. Pre-arranged excused absences must be approved by the principal.

Additionally, a student will be excused for up to 5 days in cases where the student's parent/guardian is an active duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat-support postings. The Board of Education, in its discretion, may excuse a student for additional days relative to such leave or deployment. A student and the student's parent/guardian are responsible for obtaining assignments from the student's teachers prior to any excused absences and for ensuring that such assignments are completed by the student prior to his or her return to school.

The school may require documentation explaining the reason for the student's absence.

In the event of any absence, the student's parent or guardian is required to call the school at [217-568-7733] or email (robertsj@gifford.k12.il.us) before 9:00 a.m. to explain the reason for the absence. If a call has not been made to the school by 10:00 a.m. on the day of a student's absence, a school official will call the home to inquire why the student is not at school. If the parent or guardian cannot be contacted, the student will be required to submit a signed note from the parent or guardian explaining the reason for the absence. Failure to do so shall result in an unexcused absence. Upon request of the parent or guardian, the reason for an absence will be kept confidential.

## 2.3 Release Time for Religious Instruction/Observance

A student will be released from school, as an excused absence, to observe a religious holiday or for religious instruction. The student's parent/guardian must give written notice to the building principal at least 5 calendar days before the student's anticipated absence(s).

Students excused for religious reasons will be given an opportunity to make up any examination, study, or work requirement.

## 2.4 Make-Up Work

If a student's absence is excused or if a student is suspended from school, he/she will be permitted to make up all

missed work, including homework and tests, for equivalent academic credit. Students who are unexcused from school will not be allowed to make up missed work.

## 2.5 Truancy

Student attendance is critical to the learning process. Truancy is therefore a serious issue and will be dealt with in a serious manner by the school and district.

Students who miss 5% or more of the prior 180 regular school days without valid cause (a recognized excuse) are considered chronic truants. Students who are chronic truants will be offered support services and resources aimed at correcting the truancy issue.

If chronic truancy persists after support services and other resources are made available, the school and district will take further action, including:

- Referral to the truancy officer
- Reporting to officials under the Juvenile Court Act
- Referral to the State's Attorney
- Appropriate school discipline

A parent or guardian who knowingly and willfully permits a child to be truant is in violation of State law.

## 2.6 Grading & Promotion

School report cards are issued to students on a quarterly basis. For questions regarding grades, please contact the classroom teacher.

The decision to promote a student to the next grade level is based on successful completion of the curriculum, attendance, performance on standardized tests and other testing. A student will not be promoted based upon age or any other social reason not related to academic performance.

### ***Kindergarten, First Grade, Second Grade and Third Grade Standards Based Grading***

At the end of each quarter a checklist will be completed on each student. This checklist will evaluate the work of each student by testing the learning targets that have been established by the school for that grading period.

Score "4"	Exceeds
Score "3"	Proficient
Score "2"	Developing
Score "1"	Beginning
"NA"	Standard Not Assessed.

### **Promotion, Retention and Remediation**

The promotion or retention of a student requires a well-defined process to insure that students and parents understand the school district's academic standards. Towards this end, the policy described below has been prepared to establish academic expectations for Gifford Grade School students. The policy includes academic standards for second through eighth grade students and a description of the promotion/retention process for students in kindergarten and first grade.

Promotion or retention of a second through eighth grade student will be based upon a student's grade point average and successful completion of core-curricular classes.

Students must earn a cumulative grade of 70 (D) or better in at least four of five core-curricular classes for the entire school year in grades two through eight. The core-curricular classes are mathematics, science, social studies, reading,

and language arts at grade two through eight. Promotion of a student with an Individualized education Program (IEP) or a student receiving reasonable accommodations pursuant to Section 504 of the Rehabilitation Act, shall be in accordance with this policy unless other criteria for promotion are established by the student's IEP or Section 504 Plan.

The promotion or retention of a kindergarten, first grade, and second grade student will be determined by the following factors: (1) the student's academic progress; (2) AIMS test scores; (3) an end-of-the-year checklist for kindergartners or end-of-the-year tests for first and second graders; and (3) Teacher recommendation.

The following steps will be used for all kindergarten through eighth grade students who are having academic difficulties: (1) parents/guardians will be notified at the end of the first quarter when a student is having academic difficulties; (2) at the conclusion of the first semester, the parents/guardians will be informed in writing if the student is a candidate for retention and a conference will be scheduled with the parents/guardians, teachers, and the student to discuss the reasons for the student's educational concerns and the steps to be taken to correct the academic deficiencies; (3) within ten school days of the end of the school year, parents will be notified as to the status regarding promotion and retention.

The final decision regarding a student's grade placement rests with the school authorities.

### **Report Cards**

Each student's parents or legal guardians shall receive quarterly reports during the school year. The report provides information to parents or legal guardians concerning their child's academic performance. The first three-quarters the report cards are sent home with the student on the Friday after the quarter ends. It is hoped the parents or legal guardians will review the report card carefully and call or see the teacher if they have questions. The report card is to be retained by the parent or guardian. At the conclusion of the fourth quarter the report card is sent home with the student on the last day of the school year.

### **Letter Grades**

The symbols "A", "B", "C", "D", and "F" (+/- may also be utilized) are used on the Report Card to report academic progress for students in grades two through eight for the following subject areas: Math, Science, Social Studies, Language Arts and Reading. Music (3-8) also will use this scale. Second through fourth graders receive a spelling grade.

Grade Scale is as follows:

93-100	A
85-92	B
77-84	C
70-76	D
Below 70	F

### **Grades for Music Classes (K-1)**

Grade E Identical to the letter grade "A". An "E" represents a percentage score of 93 to 100 percent.

Grade S+ Identical to the letter grade "B". A "S+" represents a percentage score of 85 to 92 percent.

Grade S Identical to the letter grade "C". An "S" represents a percentage score of 77 to 84 percent.

Grade S- Identical to the letter grade "D". A "S-" represents a percentage score of 70 to 76 percent.

Grade U Identical to the letter grade "F". A "U" represents a percentage score of 69 or below percent.

Grade "N" Needs Improvement - Less than half of the items on the quarterly checklist have been correctly identified by the student.

“\*”

Student has completely mastered the skill on a prior quarterly checklist and will not be retested for this quarterly report.

### **Midterm Reports**

All students receive a notification of midterm progress report approximately four weeks prior to the end of the grading period.

### **HONOR ROLL/HIGH HONOR ROLL**

The Honor Roll and High Honor Roll recognize students for their outstanding academic achievement in fourth through eighth grades. The qualifications for each Honor Roll are as follows:

Honor Roll: No grade lower than a “B” in all curricular subjects.

High Honor Roll: No grade lower than an “A” in all curricular subjects.

## **2.7 Homework**

Homework is used as a way for students to practice what they have learned in the classroom. The time requirements and the frequency of homework will vary depending on a student’s teacher, ability and grade level.

A student who is unable to attend school because of pregnancy will be provided home instruction, correspondence courses, or other courses of instruction before the birth of the child when the student’s physician indicates, in writing,

## **2.8 Exemption from Physical Education**

In order to be excused from participation in physical education, a student must present an appropriate excuse from his or her parent/guardian or from a person licensed under the Medical Practice Act. The excuse may be based on medical or religious prohibitions. An excuse because of medical reasons must include a signed statement from a person licensed under the Medical Practice Act that corroborates the medical reason for the request. An excuse based on religious reasons must include a signed statement from a member of the clergy that corroborates the religious reason for the request.

A student in grades 7-8 may submit a written request to the building principal requesting to be excused from physical education courses because of the student’s ongoing participation in an interscholastic or extracurricular athletic program. The building principal will evaluate requests on a case-by-case basis.

Students with an Individualized Education Program may also be excused from physical education courses for reasons stated in Handbook Procedure 10.30.1

Special activities in physical education will be provided for a student whose physical or emotional condition, as determined by a person licensed under the Medical Practices Act, prevents his or her participation in the physical education course.

State law prohibits the School District from honoring parental excuses based upon a student’s participation in athletic training, activities, or competitions conducted outside the auspices of the School District. Cross Reference: PRESS 7:260, Exemption from Physical Education

## **2.10 Home and Hospital Instruction**

A student who is absent from school, or whose physician, physician assistant or advance practice registered nurse anticipates his or her absence from school because of a medical condition may be eligible for instruction in the student’s home or hospital.

A student who is unable to attend school because of pregnancy will be provided home instruction, correspondence courses, or other courses of instruction before (1) the birth of the child when the student's physician indicates, in writing, that she is medically unable to attend regular classroom instruction, and (2) for up to 3 months after the child's birth or a miscarriage.

For information on home or hospital instruction, contact: Rod Grimsley.

### **3.1 Fees, Fines & Charges; Waiver of Student Fees**

The school establishes fees and charges to fund certain school activities, including [extra curricular- activities]. Some students may be unable to pay these fees. Students will not be denied educational services or academic credit due to the inability of their parent or guardian to pay fees or certain charges. Students whose parent or guardian is unable to afford student fees may receive a fee waiver. A fee waiver does not exempt a student from charges for lost and damaged books, locks, materials, supplies, and/or equipment.

Applications for fee waivers may be submitted by a parent or guardian of a student who has been assessed a fee. A student is eligible for a fee waiver if the student currently lives in a household that meets the income guidelines, with the same limits based on the household size, that are used for the federal free meals program.

The building principal will give additional consideration where one or more of the following factors are present:

- An illness in the family;
- Unusual expenses such as fire, flood, storm damage, etc.;
- Seasonal employment;
- Emergency situations; or
- When one or more of the parents/guardians are involved in a work stoppage.

Within 30 days, the building principal will notify the parent/guardian if the fee waiver request has been denied, along with the appropriate appeal process. If you have questions regarding the fee waiver process, you may contact the building principal at 406 South Main Street, Gifford, Illinois, 217-568-7733

### **3.10 REGISTRATION FEE**

The registration fee for the full school year is \$50.00 for kindergarten through 8<sup>th</sup> grade. The registration fee for less than a full year will be \$10.00 per quarter. If a student transfers to another school system he/she shall be charged for a full quarter's fee for any part of a quarter attended. Said student shall be entitled to a refund for any full quarter paid for, but not attended. This fee shall be waived for qualifying students.

#### **SPEECH AND LANGUAGE**

All students enrolled in school for the first time in the district shall be given a speech and language screening if such service has not been performed in a prior school. Any students identified during the screening shall be given a case study evaluation to determine the specific need for such services. All children within the district are eligible for speech and language therapy services and shall be referred for case study should the student be identified by local school personnel. Notification of referral for case study is not required but is normally done. Notification of placement of children for direct speech and language services is required and will be forthcoming for any children being considered for such a placement.

#### **STUDENT PICTURES**

Students shall have the opportunity to purchase a school picture package in the fall. These school-sponsored pictures are taken by a professional photographer. Students are under no obligation to buy the pictures.

#### **SUPPLIES**

Homeroom teachers will furnish a "Supply List" on registration day. No supplies are sold at school.

### **TELEPHONE USAGE BY STUDENTS**

The telephone for student use is on the counter in the school secretary's office. Students may use the telephone with permission from their teacher. The teacher should ask the student the purpose of the call, and if the call is thought unnecessary, the student should be refused permission.

### **VISION AND HEARING SCREENING**

Vision and hearing screening will be conducted in the fall of each school year for all children at Gifford Grade School. Vision and hearing screening is not a substitute for a complete eye and vision evaluation by a eye doctor or a hearing test administered in a medical office. Your child is not required to undergo the vision screening if an optometrist or an ophthalmologist has completed and signed a report indicating that an examination had been administered within the previous 12 months and that evaluation is on file at the school. Vision screening is not an option. If a vision examination report is not on file at the school, your child will be screened, according to state law. The same law and circumstances apply to hearing screening.

## **4.1 Bus Transportation**

The district provides bus transportation to and from school for all students living 1.5 miles or more from the school. A list of bus stops will be published at the beginning of the school year before student registration.

Parents must, at the beginning of the school year, select one bus stop at which a student is to be picked up, and one stop at which a student is to be dropped off. Students are not permitted to ride a bus other than the bus to which they are assigned. Exceptions must be approved in advance by the building principal.

While students are on the bus, they are under the supervision of the bus driver. In most cases, bus discipline problems can be handled by the bus driver. In the case of a written disciplinary referral, student bus problems will be investigated and handled by the building principal.

Students are expected to follow all school rules while on the bus. Students may be suspended from riding the school bus for up to 10 consecutive school days for violating school rules or for engaging in other gross disobedience or misconduct. The school board may suspend the student from riding the school bus for a period in excess of 10 days for safety reasons. The district's regular suspension procedures shall be used to suspend a student's privilege to ride a school bus.

A student who is suspended from riding the school bus and who does not have alternative transportation to school shall be allowed the opportunity to make up all missed work for equivalent academic credit. It is the responsibility of the student's parent or guardian to notify the school that the student does not have alternative transportation to school.

In the interest of the student's safety and in compliance with State law, students are also expected to observe the following:

1. Dress properly for the weather. Make sure all drawstrings, ties, straps, etc. on all clothing, backpacks and other items, are shortened or removed to lessen the likelihood of them getting caught in bus doors, railings or aisles.
2. Arrive on time at the bus stop, and stay away from the street while waiting for the bus.

3. Stay away from the bus until it stops completely and the driver signals you to board. Enter in single file without pushing. Always use the handrail.
4. Take a seat right away and remain seated facing forward. Keep your hands, arms, and head inside the bus.
5. Talk quietly on the bus. No shouting or creating loud noises that may distract the driver. Tablets, iPods®, iPads®, smart phones, and other electronic devices must be silenced on the bus unless a student uses headphones.
6. Help keep the bus neat and clean. Keep belongings out of the aisle and away from emergency exits. Eating and drinking are not allowed on the bus.
7. Always listen to the driver's instructions. Be courteous to the driver and other students. Sit with your hands to yourself and avoid making noises that would distract the driver or bother other passengers. Remain seated, keeping your hands, arms, and head inside the bus at all times.
8. Wait until the bus pulls to a complete stop before standing up. Use the handrail when exiting the bus.
9. Stay out of the danger zone next to the bus where the driver may have difficulty seeing you. Take five giant steps away from the bus and out of the danger zone, until you can see the driver and the driver sees you. Never crawl under a bus.
10. If you must cross the street after you get off the bus, wait for the driver's signal and then cross in front of the bus. Cross the street only after checking both ways for traffic.
11. Never run back to the bus, even if you dropped or forgot something.

Video and audio cameras may be active on busses to record student conduct and may be used for the purposes of investigation into misconduct or accidents on the bus.

2. Willful injury or threat of injury to a bus driver or to another rider.

4. Repeated use of profanity.
5. Repeated willful disobedience of a directive from a bus driver or other supervisor.
6. Such other behavior as the building principal deems to threaten the safe operation of the bus and/or its occupants.

If a student is suspended from riding the bus for gross disobedience or misconduct on a bus, the School Board may suspend the student from riding the school bus for a period in excess of 10 days for safety reasons.

A student suspended from riding the bus who does not have alternate transportation to school shall have the opportunity to complete or make up work for equivalent academic credit. It shall be the responsibility of the student's parent or guardian to notify the school that the student does not have alternate transportation.

## **5.1 Immunization, Health, Eye and Dental Examinations**

### **Required Health Examinations and Immunizations**

All students are required to present appropriate proof of a health examination and the immunizations against, and screenings for, preventable communicable diseases within one year prior to:

1. Entering kindergarten or the first grade;
2. Entering the sixth and ninth grades; and
3. Enrolling in an Illinois school for the first time, regardless of the student's grade.

Proof of immunization against meningococcal disease is required for students in grades 6 and 12. A diabetes screening must be included as part of the health exam (though diabetes testing is not required). Students between the age of one and seven must provide a statement from a physician assuring that the student was "risk-assessed" or screened for lead poisoning.

Failure to comply with the above requirements by October 15 of the current school year will result in the student's exclusion from school until the required health forms are presented to the school, subject to certain exceptions. New students who register mid-term have 30 days following registration to comply with the health examination and immunization requirements. If a medical reason prevents a student from receiving a required immunization by October 15, the student must present, by October 15, an immunization schedule and a statement of the medical reasons causing the delay. The schedule and statement of medical reasons must be signed by an appropriate medical professional.

#### **Eye Examination**

All students entering kindergarten or the school for the first time must present proof by October 15 of the current school year of an eye examination performed within one year. Failure to present proof by October 15, allows the school to hold the student's report card until the student presents: (1) proof of a completed eye examination, or (2) that an eye examination will take place within 60 days after October 15.

#### **Dental Examination**

All students entering kindergarten, second and sixth grades must present proof by May 15 of the current school year of having been examined by a licensed dentist within the last 18 months. Failure to present proof allows the school to hold the child's report card until the student presents: (1) proof of a completed dental examination, or (2) that a dental examination will take place within 60 days after May 15.

## **Exemptions**

A student will be exempted from the above requirements for:

1. Medical grounds if the student's parent/guardian presents to the building principal a signed statement explaining the objection;
2. Religious grounds if the student's parent/guardian presents to the building principal a completed Certificate of Religious Exemption;
3. Health examination or immunization requirements on medical grounds if a physician provides written verification;
4. Eye examination requirement if the student's parent/guardian shows an undue burden or lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or a licensed optometrist; or
5. Dental examination requirement if the student's parent/guardian shows an undue burden or a lack of access to a dentist.

## **Eye Examination**

All students entering kindergarten or the school for the first time must present proof by October 15 of the current school year of an eye examination performed within one year. Failure to present proof by October 15, allows the school to hold the student's report card until the student presents: (1) proof of a completed eye examination, or (2) that an eye examination will take place within 60 days after October 15.

## **Dental Examination**

All students entering kindergarten, second and sixth grades must present proof by May 15 of the current school year of having been examined by a licensed dentist within the last 18 months. Failure to present proof allows the school to hold the child's report card until

the student presents: (1) proof of a completed dental examination, or (2) that a dental examination will take place within 60 days after May 15.

## **Exemptions**

A student will be exempted from the above requirements for:

6. Medical grounds if the student's parent/guardian presents to the building principal a signed statement explaining the objection;
7. Religious grounds if the student's parent/guardian presents to the building principal a completed Certificate of Religious Exemption;
8. Health examination or immunization requirements on medical grounds if a physician provides written verification;
9. Eye examination requirement if the student's parent/guardian shows an undue burden or lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or a licensed optometrist; or
10. Dental examination requirement if the student's parent/guardian shows an undue burden or a lack of access to a dentist.

## **5.2 Student Medication**

Taking medication during school hours or during school-related activities is prohibited unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent/guardian believe that it is necessary for the student to take a medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child by completing a "School Medication Authorization Form."

No school or district employee is allowed to administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed School Medication Authorization Form is submitted by the student's parent/guardian. No student is allowed to possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this procedure.

### **Self-Administration of Medication**

A student may possess an epinephrine auto-injector (EpiPen®) and/or an asthma inhaler prescribed for use at the student's discretion, provided the student's parent/guardian has completed and signed a School Medication Authorization Form. The school and district shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication or epinephrine auto-injector or the storage of any medication by school personnel. A student's parent/guardian must agree to indemnify and hold harmless the school district and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine auto-injector and/or asthma inhaler, or the storage of any medication by school personnel.

Students who are diabetic may also self-carry and self-administer diabetic testing supplies and insulin. Students who are diabetic must also have a Diabetes Care Plan on file with the school.

## **5.4 Safety Drill Procedures and Conduct**

Safety drills will occur at times established by the school board. Students are required to be silent and shall comply with the directives of school officials during emergency drills. There will be a minimum of three (3) evacuation drills, a minimum of one (1) severe weather (shelter-in-place) drill, a minimum of one (1) law enforcement drill, and a minimum of one (1) bus evacuation drill each school year. There may be other drills at the direction of the administration. Drills will not be preceded by a warning to the students.

## **5.5 Communicable Diseases**

The school will observe recommendations of the Illinois Department of Public Health regarding communicable diseases.

1. Parents are required to notify the school office if they suspect their child has a communicable disease.
2. In certain cases, students with a communicable disease may be excluded from school or sent home from school following notification of the parent or guardian.
3. The school will provide written instructions to the parent and guardian regarding appropriate treatment for the communicable disease.
4. A student excluded because of a communicable disease will be permitted to return to school only when the parent or guardian brings to the school a letter from the student's doctor stating that the student is no longer contagious or at risk of spreading the communicable disease.

The school will observe the following procedures regarding head lice.

1. Parents are required to notify the school nurse if they suspect their child has head lice.
2. Infested students will be sent home following notification of the parent or guardian.

3. The school will provide written instructions to parent or guardian regarding appropriate treatment for the infestation.

A student excluded because of head lice will be permitted to return to school only when the parent or guardian brings the student to school to be checked by the school nurse or building principal and the child is determined to be free of the head lice and eggs (nits). Infested children are prohibited from riding the bus to school to be checked for head lice.

"Look-alike" or counterfeit drugs, including a substance that is not prohibited by this policy, but one: (a) that a student believes to be, or represents to be, an illegal drug, controlled substance, or other substance that is prohibited by this policy; or (b) about which a student engaged in behavior that would lead a reasonable person to believe that the student expressly or impliedly represented to be an illegal drug, controlled substance or other substance that is prohibited by this policy.

2. Off school grounds at a school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school;

### **Disciplinary Measures**

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School personnel shall not advise or encourage students to dropout of school voluntarily due to behavioral or academic difficulties. Potential disciplinary measures include, without limitation, any of the following measures:

1. Notifying parents/guardians.

11. Suspension from school and all school activities for up to 10 days. A suspended student is prohibited from being on school grounds.

Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, such as, illegal drugs (controlled substances), "look-alikes," alcohol or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension or expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

### **Corporal Punishment**

Corporal punishment is illegal and will not be used. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment

does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

## **6.4 Preventing Bullying, Intimidation & (Sexual) Harassment** **Prevention of and Response to Bullying, Intimidation, and Harassment**

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Bullying on the basis of actual or perceived race, color, national origin, immigration status, military status, unfavorable discharge status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or

group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic **is prohibited** in each of the following situations:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a nonschool-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by the school district or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school.

Bullying includes cyber-bullying (bullying through the use of technology or any electronic communication) and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student or students in reasonable fear of harm to the student's or students' person or property;
2. Causing a substantially detrimental effect on the student's or students' physical or mental health;
3. Substantially interfering with the student's or students' academic performance; or
4. Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

Examples of prohibited conduct include name-calling, using derogatory slurs, stalking, sexual violence, causing psychological harm, threatening or causing physical harm, threatened or actual destruction of property, or wearing or possessing items depicting or implying hatred or prejudice of one of the characteristics stated above.

Students are encouraged to immediately report bullying. A report may be made orally or in writing to the building principal, district complaint manager or any staff member with whom the student is comfortable speaking. All school staff members are available for help with a bully or to make a report about bullying. Anyone, including staff members and parents/guardians, who has information about actual or threatened bullying is encouraged to report it to the district complaint manager or any staff member. Anonymous reports are also accepted by phone call or in writing.
